

About Our Foundation

OVERVIEW

Muskoka Community Foundation

Community means so many things to so many people, and the world to us. *In all we do and all we say, we are all for community.*

We are the **Muskoka Community Foundation** and community vitality has been our purpose, promise and passion since 2007 when we started connecting donors to community needs and opportunities. Together, we help build strong and resilient places to live, work and play.

Inclusive. Innovative. Forward-looking. Vital. This is our vision for our community.

In our vision, our community is able to include, and offer opportunities to, everyone. It has the knowledge and ability needed to help shape its own future. We are ready to address pressing problems like hunger, unemployment and housing. And all our citizens are able to benefit from the best our community can offer: the arts, recreation, health care, education, safe and inclusive neighbourhoods and a healthy environment.

Our community foundation does three key things to build community vitality:

- Vitality takes long-term resources for long-term solutions—so we work with donors to build endowment and other funds that ensure vital futures for communities.
- Vitality comes from all corners of a community, so we grant funds to the widest possible range of organizations and initiatives.
- Vitality needs leadership, so we bring people together from all parts of our communities to stimulate new ideas, build participation and strengthen community philanthropy.

Facts about Muskoka Community Foundation

We were established in 2007 by a dedicated group of leaders who loved our community.

One of those leaders, Joan VanDuzer, provided the initial funds to start our Community Fund, so that it will be able to support many local charities in future years.

Our approach

Many organizations are working for better communities, but a few important factors make our approach stand out:

We bring donors to the table as community builders

We help them formulate and realize their philanthropic goals, matching their interests and concerns with community needs and organizations. We help them find innovative and responsible ways to give their investments lasting impact.

We take the broadest view of what a community is and what it needs to succeed

That's why our grants support everything from shelter, sustenance and care for those most in need, to recreation, the arts, and the environment.

We take the long-term view for our communities

We identify long-term needs and opportunities and invest in sustainable solutions, helping our communities become resilient, resourceful, and ready for the future they want.
